KOREAN COMMUNITY SERVICES OF METROPOLITAN NEW YORK (KCS)

For over 50 years, Korean Community Services (KCS) has pressed forward, relentlessly focusing on the path ahead. Rooted in resilience and unity, we have embraced change, expanded our mission, and strengthened our ability to serve. Now, with the addition of KCS in New Jersey (formerly Korean Community Center – KCC), we stand together to write a new chapter—one that ensures every individual, regardless of background, has access to the essential services they need.

With the spirit of perseverance and innovation, we have navigated challenges, growing from a New York-based nonprofit to a leading multi-service organization serving communities across New York and New Jersey. From healthcare and senior services to education and workforce development, KCS in NJ is now positioned to bring high-quality programs and life-changing support to communities across the state.

As we move forward, we invite you to be part of this incredible journey. Your support today will help strengthen and expand our services, ensuring that no one is left behind. Together, we can create a future where every individual, regardless of where they live, has access to the resources they need to thrive.

Your participation in the 2025 KCS Golf Classic is more than just a game—it's a commitment to building a stronger, more connected community.
